Permittee's Signature _____ Address _____

Completion of this form is mandatory pursuant to s. 29.614, Wis. Stats., and s. NR 19.11, Wis. Adm. Code. Failure to complete and submit this report could result in cancellation of your permit. Personally identifiable information requested on this form is not likely to be used for purposes other than that for which it is originally being collected.

INSTRUCTIONS

Please complete all items fully and accurately. Print all information with pen or use a typewriter.

1. Enter Permit Number exactly as shown on the Scientific Collectors Permit.
2. For each collection, enter the following information: (information for year of permit only)
 - a. Species common and scientific names.
 - b. Age or size class, if distinguishable (age, larva, immature, adult; for game fish and panfish species, list young-of-year separately from larger length range).
 - c. Number of each species, separate by age or size class and final disposition.
 - d. Date of collection (month, day, year).
 - e. Collection site including county and locality (water for aquatic collections or civil township(s) for all others).
 - f. Method of collection.
 - g. Disposition of specimens or items (preserved, mounted, frozen, released, destroyed, captive) and where specimens
3. Check the appropriate box for automatic renewal of the Scientific Collectors Permit (term permits only).
4. Enter Federal Collecting Permit Number, if applicable, and expiration date.
5. Enter whether convicted of any violation of the fish or game laws of Wisconsin during the past year.
6. Sign the report and fill in present address.
7. Use additional sheets if required.
